Quarterly Meeting: April 14, 2022

David Mauk

The principal mission of the Bandera County River Authority & Groundwater District is to protect and preserve the County’s water and natural resources for the citizens of Bandera County. The District is also tasked with maintaining local control of the County’s water resources to help safeguard the property rights of the citizens of Bandera County.
NOTICE

BANDERA COUNTY RIVER AUTHORITY AND GROUNDWATER DISTRICT
QUARTERLY MEETING
April 14, 2022

Notice is hereby given that a Quarterly Meeting of the Board of Directors for Bandera County River Authority and Groundwater District will be held on Thursday, April 14, 2022 immediately after the public hearing at 10:00 am at 440 FM 3240, Bandera, Texas 78003, at which time the following items will be discussed and possible action taken, to wit:

AGENDA

I. Call to Order, Roll Call, Pledge of Allegiance, Certification of Quorum, and Compliance with the Texas Open Meetings Law.

II. Public Comment.

IV. Discuss and Consider for Action: Approval of FY2021 Annual Report.

V. Discuss and Consider for Action: Approval of Camp Sionito Well #2 Public Water Supply Permit for an Instantaneous Rate of 32 GPM and an Annual Limit of 5 Acre-Feet.

VI. Discuss and Consider for Action: Approval of Camp Sionito Well #3 Public Water Supply Permit for an Instantaneous Rate of 30 GPM and an Annual Limit of 5 Acre-Feet.

VII. Discuss and Consider for Action: Approval of MHC TT, LP Public Water Supply Permit for an Instantaneous Rate of 44 GPM and an Annual Limit of 18 Acre-Feet.

IX. Discuss and Consider for Action: Public Sale of District Ground Machine.

X. Discuss and Consider for Action: Chapter 38 Rules.

XI. Discuss and Consider for Action: BCRAGD Quarterly Budget Report / Public Funds Report.

XIII. Informational Item – Drought Stage, Water Conservation Handouts, Rainwater Harvesting Materials, Future Meeting Date.

XIV. Adjournment.

This notice is published pursuant to the Texas Open Meetings Act, Texas Government Code Chapter 551. Dated this 11th day of April 2022.

David Mauk, General Manager

The Board of Directors of Bandera County River Authority and Groundwater District reserves the right to adjourn into Executive Session at any time in the course of this meeting as authorized by the Open Meetings Act, Texas Government Code Chapter 551.071, "Consultation with Attorney". I hereby certify that the above Notice of Meeting of the Board of Directors for Bandera County River Authority and Groundwater District is a true and correct copy of said Notice; that a true and correct copy of said Notice was posted on April 11th, 2022 before 4:30 p.m., in its administrative office in Bandera, Bandera County, Texas at a place convenient and readily accessible to the general public at all times; that a true and correct copy of said Notice was furnished to the County Clerk of Bandera County; and that a copy of said Notice was furnished to each director.

David Mauk, General Manager

Bandera County River Authority and Groundwater District  
Quarterly Meeting  
January 27, 2022

START TIME: 10:00 A.M.

PRESENT:  D. Sloan, B. Williams, N. Boultinghouse, C. Striegl, R. Gibson, E. DeWinne, B. Hayes, R. Mulherin

ABSENT:  None
General Manager:  D. Mauk
BCRAGD Staff:  C. Curd, L. Whitmire, A. Balzen

I.  Call to Order, Roll Call, Pledge of Allegiance, Certification of Quorum, and Compliance with the Texas Open Meetings Law.

D. Sloan called the meeting to order at 10:00am and N. Boultinghouse, Treasurer, announced that a quorum was present.

II.  Public Comment.

Agenda Item 3 occurred before public comment.
Chris Torn, Director of Camp OTX, gave the following public comment:
I have been married for 24 years and have 5 kids. I am here because we have requested an additional 2 wells due to the great success of our first year at Camp OTX. Our mission is to provide a premiere camp environment and experience for kids through a commitment to excellence in all that we do while seeking to establish and deepen a relationship with Jesus Christ. That's what we do. We closed on the property in 2016 and began construction in 2017. We promised the leadership (i.e. County Judge and County Commissioners) to hire local subs and contractors and we made good on that promise. We have hired over 85 local residents to help construct Camp OTX. During the construction phase alone over 7 million dollars went to Bandera Subs and Businesses. We opened last summer in the middle of a pandemic. We welcomed over 1500 campers from around the state, 8 campers from out of state and 3 campers from other countries. 160 seasonal employees and 8 full time employees, all of which are Bandera County residents. Additionally, camp families spent over 3.2 million dollars in Bandera over the summer. We are expected to increase to 2300 campers and 200 seasonal employees. Projected economic impact in Summer 2022 to be North of $5 million for the county of Bandera. OTX has taken an active role in the community through sponsorship and having a job fair on Feb 12, 2022. We need the wells to continue to operate. I have 2 letters to read, with your permission from 2 guys that couldn't be here today. (Please see the attached letters.)
we acknowledge that the District has issued a permit like this in the past. If the District chooses to move forward with this and issue another permit for pumping into an impoundment, we ask that the District consider the use that permit is designated for. We know that the Camp has not been irrigating and that by receiving a commercial irrigation permit they are sidestepping the drought restrictions and we ask that this permit be only issued for the impoundment and not commercial irrigation. I’m available for any questions. Dave Mauk read a letter from Diane Lindig Lovett: To all board members, staff, and any other concerned parties of Bandera County River Authority and Groundwater District regarding Camp OTX RR417 in Tarpley asking …. 

III. Presentation of Annual FY 2021 District Financial Audit, Prepared by Ede and Company, Certified Public Accountants.

This agenda item occurred before item 2. Eric Ede presented to the board the annual FY 2021 District Financial Audit. BCRAGD received an unmodified score, which is the highest score according to acceptable accounting principles. The FY 2021 District Financial Audit is available on the district website.

Motion to accept the Annual FY 2021 Financial Audit as presented made by E. DeWinne and seconded by R. Mulherin. Motion passed 8-0.

IV. Discuss and Consider for Action: Approval of November 4, 2021 Quarterly Meeting Minutes.

E. DeWinne motioned to approve the November 4, 2021 Quarterly Meeting Minutes and B. Williams seconded the motion. Motion passed 8-0.

V. Discuss and Consider for Action: Approval of RR 417 Public Water Supply Well Permit for an Instantaneous Rate of 50 GPM with an Annual Production Limit of 15 acre-feet.

D. Mauk gave Derek Sealy the opportunity to address any concerns. Derek Sealy stated that he had not seen the request for a contested Case hearing before and had just received it. He asked for clarification as to if it were a request for hearing on both permits; and pointed out that it was Ms. Ice’s burden to prove that there is standing. I don’t think there is a right to a contested case hearing and that anything presented here supports a right to a contested hearing.

Lauren Ice responded that it is her understanding that according to the board’s rules the procedure for requesting a hearing is to submit the request itself by the close of the permit hearing today and that a preliminary hearing would be set by a hearing examiner. At that point, the counsel for all parties make the case.

Derek Sealy said he will leave it up to the board as to if they want to hear from his hydrogeologist.

The report also included Surface Water Evaluation & Reports, In-House Surface Water Quality Monitoring Report, Medina Lake Update, Aquatic Life Monitoring, EAA Sampling, Public Service Announcements, Staff Highlights, Invasive Species Updates, and the Drought Monitor.

Also included in the GM Report were the Education & Outreach Highlights, Social Media Highlights, and Flood Early Warning System Update.

D. Mauk stated that there were no updates and went over the drought stage in item 13.

XI. Adjournment.

R. Gibson motioned to adjourn the meeting and C. Striegl seconded the motion. Motion passed 8-0. Meeting adjourned at 11:51am.

Bandera County River Authority and Groundwater District
Called Meeting
March 3, 2022

START TIME: 10:03 A.M.

PRESENT: D. Sloan, B. Williams, C. Striegl, E. DeWinne, B. Hayes, R. Mulherin

ABSENT: N. Boultinghouse, R. Gibson
General Manager: D. Mauk
BCRAGD Staff: H. Phillips

I. Call to Order, Roll Call, Pledge of Allegiance, Certification of Quorum, and Compliance with the Texas Open Meetings Law.

D. Sloan called the meeting to order at 10:03am and B. Williams, Vice President, announced that a quorum was present.

II. Public Comment.

Margo Denke thanked the board for listening to the community's concerns and for the opportunity to work with the Torns and Camp OTX. She also stated that the attorney for Friends of Hondo Canyon has submitted a conditional withdrawal of their petition for a contested case hearing.

III. Discuss and Consider for Action: Approval of RR 417 Public Water Supply Well Permit for an Instantaneous Rate of 50 GPM with an Annual Production Limit of 15 acre-feet.

D. Mauk asked Margo Denke if anyone was protesting the public water supply. She said that they were not.

Motion to approve RR 417 Public Water Supply Well Permit for an Instantaneous Rate of 50 GPM with an Annual Production Limit of 15 acre-feet made by E. DeWinne and seconded by B. Williams. Motion passed 6-0.

IV. Discuss and Consider for Action: RR 417 Irrigation Permit for an Instantaneous Rate of 40 GPM with an Annual Aggregate Production Limit of 55 Acre-Feet between Permit P-1159 and P-1177 (pending permit approval).

D. Mauk stated that this new permit was agreed upon by both parties. The permit would not exceed 55 acre-feet combined and would only allow for 27.5 acre feet in P-1177 unless P-1159 does not produce 27.5 acre-feet.
IX. Informational Item – Drought Stage, Water Conservation Handouts, Rainwater Harvesting Materials, Future Meeting Date.

D. Mauk stated that the Rules Review should be ready for April’s meeting. He also stated that the District is receiving a telemetry unit for the new monitor well from the USGS.

X. Adjournment.

E. DeWinne motioned to adjourn the meeting and B. Williams seconded the motion. Motion passed 6-0. Meeting adjourned at 10:28 am.

Employee Initials_____
Foreword

This Employee Policy Manual contains important information required by law and should therefore be read in its entirety upon receipt. This manual covers a great deal of information but it cannot cover all subjects completely. If any questions should arise about the policies of Bandera County River Authority & Groundwater District ("District"), inquiries should be directed to the General Manager.

Employment with Bandera County River Authority and Groundwater District is at will. This means your employment is for an indefinite period of time and it is subject to termination by you or BCRAGD, with or without notice, and at any time. At-will means that BCRAGD can terminate an employee at any time for any reason, except an illegal one, or for no reason without incurring legal liability. Likewise, an employee is free to leave a job at any time for any or no reason with no adverse legal consequences.

Employment with the District is on a voluntary basis. The employment relationship is not an entitlement and may be terminated at any time by either the employee or the District for any reason not expressly prohibited by law. THE CONTENTS OF THIS MANUAL DO NOT CONSTITUTE A CONTRACT OF EMPLOYMENT and nothing contained herein should be construed as a guarantee of continued employment, or of any particular policy or benefit. The policies, programs, benefits, etc. described in this manual may be added to, subtracted from, or otherwise amended at any time without advance notice or cause. Interpretations are reserved to the General Manager or his designee. Any agreement with regard to this or any other policy is invalid unless in writing and signed by the General Manager.

Equal Employment Opportunity

The District is committed to fair and equal treatment of all employees, and fair and equal consideration of all prospective employees, without regard to race, color, age, religion, gender, ancestry, national origin, or disability, which does not interfere with job performance with reasonable accommodation.

The District complies with the equal employment regulations of various governmental entities. The District commits to administering all personnel actions in compliance with such regulations, including such matters as employment, promotions, demotions, transfers, compensation, benefits, training, educational, social and recreational programs.

The District is committed to providing a working environment free from racial, religious, sexual, or other forms of discrimination or harassment. Such conduct will not be tolerated, and constitutes grounds for dismissal. The federal law prohibiting sexual harassment in the workplace is Title VII of the Civil Rights Act of 1964. If you are subjected to harassment, you are urged to bring the
General Manager. Afterward, an investigation will take place. Complaints can also be made to the Texas Workforce Commission.

Orientation/Review Period

The first 6 calendar months of employment with the District are considered a probationary period. During this time, you and the District will evaluate job requirements and performance, District policies, and attitudes. You and your immediate supervisor will make reviews of this period. Where the working arrangement is not satisfactory to one or both of the parties, the employment relationship can be severed at any time. SUCCESSFUL COMPLETION OF THE PROBATIONARY PERIOD DOES NOT GUARANTEE CONTINUED EMPLOYMENT NOR DOES IT ALTER THE VOLUNTARY NATURE OF THE EMPLOYMENT RELATIONSHIP BETWEEN THE EMPLOYEE AND THE DISTRICT.

Business Ethics

The District strives to maintain the highest standards of business conduct and ethics. Your adherence to these standards while carrying out your job is vital. The list below is not all-inclusive and violation of public trust in any way is a violation of the District’s Ethics Policy and may result in disciplinary action(s) or termination.

- The District respects your rights to activities outside your employment, which are private in nature and which in no way conflict with or reflect upon the integrity or good name of you or the District. To avoid potential conflicts or interest, liability issues, and ethical considerations, you must obtain prior approval from the General Manager before acceptance of any outside employment or engaging in any activities which may result in conflicts of interest or possibly compromise the District’s ethical or professional standards.
- District employees may not use their official position to secure special privileges or exemptions for themselves or others.
- Employees may not grant any special consideration, treatment, or advantage to any citizen, individual, or group beyond those that are available to every other citizen, individual, or group.
- Employees may not disclose, without proper authorization, confidential information that could adversely affect the property, management or affairs of the District, nor directly or indirectly use any information for their own personal gain or benefit, or for the private interest of others.
- District employees should not represent, directly or indirectly, or appear on behalf of private interests before the District Board of Directors, nor shall they represent any private interest in any action or proceeding involving the District, nor shall they accept a retainer or compensation that is contingent upon a specific action taken by the District.

The Board of Directors has established an ethics policy for all elected or appointed officials, agents, and employees of the District, which is incorporated herein by reference and made a part hereof.

Employee Initials _____
From time to time, it may be necessary for District employees to work beyond the normal established hours ("Overtime"). All overtime must be approved by the General Manager. All efforts will be made by management to give as much advance notice as possible. Overtime Requests for nonexempt employees must be requested at least 24 hours in advance if possible. Nonexempt employees will be compensated for overtime in accordance with all applicable laws and regulations. Overtime compensation can either be paid or awarded as comp-time. Overtime is calculated based on actual hours worked during a workweek, not after 8 hours worked in a day. Sick and/or personal leave will not be counted when computing overtime pay. Only holiday and vacation time will be counted when computing overtime.

The Board of Directors may enter into employment contracts with professionals, which contract(s) may differ from the terms and conditions, described herein. Contracted agreements supersede this manual.

**Vacations**

The District recognizes the importance of vacation time for your rest, relaxation, and recreation. Eligibility for vacation is based on the length of your employment with the District. All full-time employees who work at the District between 1-5 years are eligible for 10 business days of vacation; 5-10 years of employment allows an employee 12 business days of vacation; and 10+ years of employment allows an employee 15 business days of vacation. Every effort will be made to schedule your vacation at the time you request; however, operating conditions will determine whether your vacation can be scheduled at the exact time you request.

Your vacation should be taken each year. In the event your work schedule does not permit you to take all of your vacation, you may, with prior approval of the General Manager, carry over up to 15 business days of vacation to the next year, or be paid for vacation time earned and not taken.

After having completed one year of service with the District, in the event you voluntarily leave the employ of the District, with proper notice given (two week notice), or you are discharged; you will be paid for any unused vacation to which you are entitled at the time of your separation. At the option of the District, you may be required to take unused vacation during your termination notice period.

**Holidays**

The District recognizes the following holidays: New Year’s Day, President’s Day, Good Friday, Memorial Day, Independence Day, Labor Day, Columbus Day, Veteran’s Day, Thanksgiving and the day after, Christmas, and either Christmas Eve or the day after Christmas. Holidays, which fall on a Saturday, will be observed on Friday; those, which fall on Sunday, will be observed on Monday. If a holiday occurs during your vacation, you will be paid for the holiday and will not be charged with a vacation day for the day on which the holiday is observed. In the event you work on
Leave of Absence or Emergency Leave

Leave Without Pay: With the prior approval of the General Manager, you may take time off without pay for personal business or use accumulated compensatory time if eligible. With prior approval of the General Manager, you may also make up the time away as long as it is made in the same week in which the time off was taken.

Leave of Absence: Long-term leaves of absence with or without pay may be granted in certain cases upon prior approval of the Board of Directors.

Military Duty: Employees who enter the Armed Forces of the United States will be granted a leave of absence without pay in accordance with federal and state laws and regulations. Additionally, the District will pay full-time employees for a period not to exceed two weeks, the difference in base salary and military pay (if military pay is less than District pay) for annual service in a recognized military service organization such as the National Guard, Naval Reserve, or Air Force Reserve.

Maternity Leave: The Family and Medical Leave Act (FMLA) is a benefit that allows qualified employees to have up to 12 weeks of leave per fiscal year. The law allows eligible employees to take job-protected leave for the birth or adoption of a child, for the care of a child, spouse or parent with a serious health condition, for the employee's own serious health condition, or for the care of a covered military service member.

Eligible employees are entitled to utilize a full allotment of 12 weeks of FMLA benefits for any FMLA-related condition.

The U.S. Department of Labor has issued a summary entitled “Need Time? The Employee's Guide to the Family and Medical Leave Act.” This summary is directed primarily to employees in a reader-friendly format.

Government agencies (including local, state, and federal employers) and elementary and secondary schools are covered by the FMLA, regardless of the number of employees.

FMLA Eligibility and Qualification Requirements: Employees must qualify for leave under the FMLA before such leave can be granted; two criteria must be met:

1) Must have a total of at least 12 months of state service (employment periods preceding a break in service of more than seven [7] years are not required to be counted); and
2) Must have physically worked 1,250 hours with the state within the 12 months prior to the need for FMLA leave.
appraisal must be completed prior to any adjustment to your salary. Our salary administration policy is based on merit, and adjustments are not granted solely because of length of service.

Promotion: It is the District’s policy to make every reasonable effort to promote from within based on an employee’s contributions towards achieving the District’s objectives, achievements of personal objectives established in performance appraisals, work performance, education, and other pertinent factors. Promotions may occur as a result of acquiring additional education, professional skills, technical certification and professional registration.

Retirement. As of January 1, 2019, the District will start a Retirement Program.

Performance Appraisal

Annual performance appraisals will be scheduled to be accomplished during the annual budget review period or prior to any salary adjustment or promotion. The appraisal process is designed to give you and the District an opportunity to discuss both your job performance and professional goals and achievements, and allow the District the opportunity to discuss any problems and take steps to remedy them.

Resignation, Disciplinary Action, Termination

Resignation: Employees are requested to give at least two weeks written notice prior to voluntary termination. All District property must be returned before the last working day.

Termination and Disciplinary Action: Matters which may result in disciplinary action include, but are not limited to, the following: unsatisfactory job performance, repeated tardiness or excessive absences, insubordination, illegal acts, dishonesty, falsification of District records, failing to follow health and safety rules, breaches of security, violations of District Code of Ethics or destruction of District property. Counseling for breaches of the aforementioned matters and notations of the counseling session will be added to the personnel file. The District makes every effort in the employee selection process, to hire individuals who will be able to perform to District standards. There are times, however, when an employee does not conform to District standards and is subject to discipline. Violation of District policies may result in, but is not limited to, oral reprimands, written reprimands, suspension with or without pay, and/or employment termination. Generally, discussions and attempts to remedy problems precede termination; however, the District reserves the right to terminate an employee without utilization of such procedures.

Travel Expense

The District pays all actual and necessary expenses for employees who must be away from their regular assigned place of employment. Reimbursement is on the basis of a properly completed and approved expense account form. Receipts are necessary for all expenses turned in on your expense
Telephone Use: Telephones have been installed for District business use. The District realizes that some personal calls are unavoidable and recommends that they be short in length and limited in number so as to avoid restricting unavailability of an open line for incoming calls. Personal long distance calls should not be made from District telephones. If circumstances occur where such a call is required, the employee should document the number called and notify bookkeeping so that the employee can repay the billed amount of the call.

Breaks: Please refer to the Breaks Policy Acknowledgement (Appendix 2) attached to the end of this manual.

Alcohol and Drug Use: The consumption of alcohol during regular work hours and the use or distribution of illegal drugs is prohibited. Please refer to and sign the District’s Policy for a Drug-Free Workplace (Appendix 4) attached to the end of this manual.

Smoking: The District provides a smoke free work environment. Smoking is only permitted outside of the District office. Please refer to the Tobacco-free Workplace Policy (Appendix 3) attached to the end of this manual.

Personnel-Related Problems

You should take any job-related personnel problems to the General Manager, or his/her designee. For additional resources, visit: EEOC- www.eeoc.gov, TWC- www.twctexes.gov, or Department of Labor, www.dol.gov.

FY 2022 Teams and Staff Positions
Bandera County River Authority and Groundwater District

Record Retention Policy

WHEREAS, Title 6, Subtitle C, Local Government Code (Local Government Records Act), provides that each local government must establish an active and continuing records management program; and

WHEREAS, the Bandera County River Authority and Groundwater District desires to adopt a plan for that purpose and to prescribe policies and procedures consistent with the Local Government Records Act and in the interests of cost-effective and efficient recordkeeping; NOW THEREFORE:

SECTION 1. DEFINITION OF RECORDS OF THE BANDERA COUNTY RIVER AUTHORITY AND GROUNDWATER DISTRICT. All documents, papers, letters, books, maps, photographs, sound or video recordings, microfilm, magnetic tape, electronic media, or other information recording media, regardless of physical form or characteristic and regardless of whether public access to it is open or restricted under the laws of the state, created or received by the Bandera County River Authority and Groundwater District or any of its officers or employees pursuant to law or in the transaction of public business are hereby declared to be the records of the Bandera County River Authority and Groundwater District and shall be created, maintained, and disposed of in accordance with the provisions of this ordinance or procedures authorized by it and in no other manner.

SECTION 2. RECORDS DECLARED PUBLIC PROPERTY. All records as defined in Sec. 1 of this plan are hereby declared to be the property of the Bandera County River Authority and Groundwater District. No official or employee of the Bandera County River Authority and Groundwater District has, by virtue of his or her position, any personal or property right to such records even though he or she may have developed or compiled them. The unauthorized destruction, removal from files, or use of such records is prohibited.

SECTION 3. POLICY. It is hereby declared to be the policy of the Bandera County River Authority and Groundwater District to provide for efficient, economical, and effective controls over the creation, distribution, organization, maintenance, use, and disposition of all records of this office through a comprehensive system of integrated procedures for the management of records from their creation to their ultimate disposition, consistent with the requirements of the Local Government Records Act and accepted records management practice.

SECTION 4. RECORDS MANAGEMENT OFFICER. The Finance and HR Manager Office Manager—will serve as records management officer for the Bandera County River Authority and Groundwater District as provided by law and will ensure that the maintenance, destruction, electronic storage, or other disposition of the records of this office are carried out in accordance with the requirements of the Local Government Records Act.
Resolution Regarding Records Retention Policy

April 14, 2022

WHEREAS, Title 6, Subtitle C, Local Government Code, provides that each local government must establish an active and continuing records management program; and

WHEREAS, the Bandera County River Authority and Groundwater District desires to adopt a plan for that purpose and to prescribe policies and procedures consistent with the Local Government Records Act and in the interests of cost-effective and efficient recordkeeping; and

WHEREAS, the Texas State Library and Archives Commission requires proof of board consensus to adopt the policy before moving the District from a permanent retention schedule to the appropriate retention schedules according to the Texas State Library and Archives Commission;

NOW THEREFORE BE IT RESOLVED, that the Bandera County River Authority and Groundwater District Board of Directors approves the Record Retention Policy.

THIS RESOLUTION IS EFFECTIVE ON THE DATE SIGNED.

Signed on July __, 2019

Don Sloan, Board President

ATTEST:

__________________________

Exhibit A
BANDERA COUNTY RIVER AUTHORITY AND GROUNDWATER DISTRICT POLICY ON
DISTRICT VEHICLES

Purpose

Whereas, Bandera County River Authority and Groundwater District, hereinafter referred to as
"BCRAGD" or "the District", owns, maintains and operates a fleet of District vehicles.

Whereas, BCRAGD is mindful of the condition of the District vehicles and the expense to the
District to maintain them.

Section 1. New Vehicle Requirement and Replacement

On an annual basis BCRAGD staff, under the direction of the General Manager, should assess
the state and condition of the District vehicles. This assessment should determine if the vehicles
are in proper operating condition, continue to fit the needs of the District, and are being
maintained appropriately.

Should a vehicle be determined to no longer meet the needs of the District, repairs have
become excessive and costly to the District or has exceeded the lifetime expectancy of the
vehicle, the General Manager shall seek board approval to dispose of the vehicle in accordance
with Chapter 2175 of the Texas Government Code. Following Board approval, the General
Manager may either hold a public sale of the vehicle, transfer the vehicle to another State
agency or political subdivision, or trade the vehicle in toward the purchase of a new vehicle.

Following Board approval, the General Manager may replace District vehicles or acquire new
vehicles for the District.

Section 2. Budgeting

The General Manager and supporting staff should take into consideration the need for vehicle
replacement, vehicle repair, and routine maintenance when preparing the District budget each
fiscal year.

Section 3. Vehicle Acquisition and Preparation

When acquiring a new District vehicle, the BCRAGD staff will maintain proper state registration
and immediately notify the District insurance of the addition of the vehicle to the policy.
Additionally, a routine maintenance log should be created and properly updated for the District
vehicle.
BANDERA COUNTY RIVER AUTHORITY AND GROUNDWATER DISTRICT
CELL PHONE COMPENSATION POLICY

Purpose
Whereas, Bandera County River Authority and Groundwater District, hereinafter referred to as BCRAGD, requires certain staff members to be available after working hours;
Whereas, BCRAGD sends certain staff members out of town as representatives of the District;
Whereas, BCRAGD requires field work for certain staff members that creates a need for cell phone use;
Whereas, BCRAGD wishes to compensate employees for the use of their personal cell phones for District business;

Section 1. Applicability
This policy applies to staff members who the General Manager requires the use of their personal cell phones to conduct business on behalf of the District and is a vital part of their work related duties. It is at the discretion of the General Manager to determine which staff members fall under this policy.

Section 2. Policy
Staff members whose job requires the use of a cell phone for District business, as outlined in this policy, may use a personal cell phone for District business and receive a monthly allowance to cover the cost of their cell phone service. Staff members may elect to use a District-provided cell phone in lieu of receiving compensation for using a personal cell phone.

Section 3. Cell Phone Allowance
A. Eligibility for Cell Phone Allowance
   1. The cell phone allowance must be approved by the General Manager.
   2. The District may provide a cell phone allowance to an employee if at least one of the following criteria is met:
      a. The job requires a considerable amount of time outside of the office (travel, meetings, conferences, work from home, etc.) and use of the cell phone facilitates the effective conduct of business operations while away.
      b. The job requires the employee to be immediately accessible to receive and/or make frequent business calls outside of working hours.
      c. Job duties away from the office may expose the employee or other to immediate harm or danger (i.e. visits to private property, field work in moving bodies of water, site visits, etc.)

B. Cell Phone Allowance Amount
   1. The monthly cell phone allowances shall not exceed $150. The cell phone allowance is considered taxable income to the employee by the Internal Revenue Service. The allowance is intended to reimburse the employee for the average business use of the cell phone, not to pay the entire bill. The amount of the allowance should be
Section 5. Effective Date
This policy is placed into effect with the signature of the Board President.

CLEAN RIVERS PROGRAM

Sabinal River
BCRAGD staff are responsible for the 4 sites in the Nueces Basin. Sabinal CRP sampling was conducted January 25, 2022 & February 1, 2022. Next sampling will be conducted in of April of 2022.

BCRAGD Public Service Announcement:  
Medina River *E. coli* Counts March 16th-18th & April 5th, 2022

Surface Water Staff from the Bandera County River Authority and Groundwater District (BCRAGD) collected water samples from sites along the Medina River, Medina Lake, Sabinal River, and their tributaries to assess levels of *E. coli* bacteria on March 16th, 17th, 18th, & April 5th 2022.

*E. coli* is a bacteria found in the gut of warm-blooded animals and is known to potentially cause illness in humans if ingested. **No primary contact recreation should take place if the number of *E. coli* exceeds 399 most probable number (MPN) per 100 mL of water.** This standard is set by the Texas Commission on Environmental Quality (TCEQ) in the Texas Administrative Code (30 TAC §307.7). Meaning, no one should participate in activities that could result in the total submersion of the head under water if counts exceed the 399 MPN standard.

There is **ALWAYS** a possibility of infection from *E. coli* or other waterborne illness. **Never drink or ingest river water without proper disinfection, and always swim at your own risk.**

Results listed below were analyzed at the BCRAGD lab:

The above results can also be found on the BCRAGD website, [www.bcragd.org](http://www.bcragd.org), and the BCRAGD Facebook page. BCRAGD is not a certified lab. Results are for informational purposes only.
Education and Outreach Highlights

As a political subdivision of the state, BCRAGD has an obligation of transparency to the public, which is met through the channels of social media and a maintained website. These venues are vital in providing open lines of communication between the District and the general public.

This quarter, the BCRAGD team has been working diligently on public outreach and education. One of the most effective means of public outreach is through social media with Instagram, Twitter, Facebook, and YouTube. The team has the ability to provide vital information to targeted audiences and promote public awareness relating to issues and topics such as: changing weather patterns, ongoing projects of the District, natural resource and water conservation, and stewardship. Social Media outlets allow for the District to share and promote resources from collaborating agencies such as National Weather Service, Texas Ag-Extension office, Texas Floodplain Managers Association, Texas Water Development Board, and many others. This quarter, the focus of information has been on county surface water quality, weather conditions, and ongoing district projects.
Social Media Highlights

For this quarter the Outreach team focused on sending out weather notices from the National Weather Service to keep the public informed about the current climate. In addition, in the winter months, the district put out a winterizing campaign on the best practices to save water during winter and how to winterize your pipes.

Protecting Pipes

1. Open kitchen & bathroom cabinet doors to allow warm air to circulate around the plumbing.
2. Leave a trickle of water running in the pipes that have a tendency to freeze.
3. Disconnect all hoses & insulate the outside faucets.

For more information, visit https://www.shaw.com/article/tech/science/css-prevent-frozen-pipes-winter-weather/3-05bdade0-0575-47da-b64-9065bdaeb056

Development of a Flood Inundation Monitoring System for the Upper Sabinal River in Uvalde and Bandera Counties, Texas
Progress Report for the Period – Dec. 01, 21 to Feb. 28, 22.
TWDB Contract Number: 1800012307

To: Ivan Ortiz, CFM, CTCM
Flood Mitigation Planning
Texas Water Development Board
P.O. Box 13231, 1700 N. Congress Ave.
Austin, Tx. 78711-3231
ivan.ortiz@twdb.texas.gov

From: Larry B. Thomas, CFM
Chief Data Officer
Natural Resource Specialist
Flood Warning Protection Project Manager
Bandera County River Authority and Groundwater District
440 FM 3240, P.O.Box 177
Bandera, Tx. 78003-0177
lthomas@bcragd.org

Subject: TWDB Contract No. 1800012307

1. **Contract Period: November 12, 2018 – August 31, 2021**
   1) Revised Contract Expiration date (September 30, 2022)

3. Due to USGS noting invoiced periods of task completions for quarterly periods beginning Fiscal Year October 1 and ending September 30, TWDB Quarterly reports provided by BCRAGD may encompass partial periods of previous quarterly report periods. Invoicing of USGS work completions for the period October 01, 2021, to September 30, 2022, are prorated Quarterly for outstanding cooperative funding balances of TWDB and USGS allocations and confirmed activities.
TWDB Contract No. 1800012307

Expiration Date extension, requested and approved by TWDB for this project is for an approximately One Year Term from the current dates as an extension of the study would greatly improve the foundation of data collection assembly, specifically allowing additional time for potential increased hydrologic conditions and diminished drought conditions.

Previous Contract Dates:

- Project Completion Date – 05/31/2021
- Expiration Date – 08/31/2021

Approved Extension of Contract Dates:

- Project Completion – 06/30/2022
- Expiration Date – 09/30/2022

BCRAGD Completed and Planned Activities:

Propose USGS to include ‘fixed’ ‘Peak Stage Indicators’ (ie: Crest Stage Gage ‘CSG’) at existing stream-flow gage locations and identify Reference Mark (RM) elevations for use with CSG data and post event High Water Marks (HWM’s). Independent water level sensors were installed at 5 selected locations, described within section: ‘USGS Task Completions / Ongoing Status’.

- BCRAGD will be creating ‘Reference marks’ (ie: Vertical Datum Elevation Marks) on select low water crossings, bridge decks, bridge handrails etc. within portions of the Sabinal Flood Early Warning study area to be used as miscellaneous ‘tape-down’ points for referencing water surface elevations to North American Datum 1988 (NAD 88). Reference Marks will be established, and elevations determined by actual level circuits completed by BCRAGD staff as a training exercise and to be used as a post event of identifying flood high water mark elevations. These may encompass USGS data for use with HEC-RAS modeling of miscellaneous tributary locations that are not continuously monitored for streamflow or water surface stage values. The procedures of Vertical Datum level circuits at each location will follow USGS standard protocols.

- Due to the Covid-19 pandemic and social distancing requirements set forth by the Center of Disease Control (CDC) and The State of Texas, ‘in-person’ meetings have been minimal. Region Twelve Stake Holders Forum was held at the BCRAGD office on December 9th, 2021. The Medina River FEWS, FIM was also presented along with the present status of the Sabinal River FEWS project. Attendees included representatives from Region 12 and 13 Regional Flood Planning Group’s (RFPG), HDR Engineering, TWDB staff and Emergency responders from Bandera County including Honorable Judge Evans.
TWDB Contract No. 1800012307

(USGS Task 1: completions continued)

- Vertical Datum Levels have been completed at existing FEWS stream-gage locations, including existing Culverts, Bridge Openings, and Channels by USGS personnel. Lidar elevations to be applied by USGS. (on-going)

- The following existing USGS Stream-gages are available and maintained by USGS personnel. These stations are routinely monitored daily by USGS and by BCRAGD during storm related events and are significant for providing storm related information of impending storms near and within the Sabinal River watershed:
  
  - Edwards Groundwater Well #1 'High Intensity Rain Gauge'
    USGS Station Number - 295204099340201
  - Sabinal River Below Mill Creek near Vanderpool, TX.
    USGS Station Number - 08197936
  - West Prong Medina Rv at Carpenter Crk Rd nr Medina, TX.
    USGS Station Number - 08178871
  - N. Prong. Medina Rv at Brewington Creg, FM-2107 nr Medina, TX.
    USGS Station Number - 08178861
  - Medina River at Patterson Rd at Medina, TX.
    USGS Station Number - 0817887350
  - Medina River at Hwy. 173 at Bandera, TX.
    USGS Station Number - 08178880
  - **Sabinal River at Utopia, Tx.**
    USGS Station Number - 08197970

USGS previously installed and are continuing to manually collect data from *pressure transducers* (in-situ water level electronic data loggers) for continuous collection of stream water surface stage values, non-real-time devices at the following locations. **(fig.2)**

- **✓** Sabinal River at Panther Hill Rd. near Vanderpool, Tx USGS station ID: 08197938
- **✓** Sabinal River Up Stream of Long Hollow, near Utopia, Tx. USGS station ID: 08197940
- **✓** Sabinal River Down Stream of Blackjack Hollow, near Utopia, Tx. USGS station ID: 08197945
- **✓** West Sabinal River at West Sabinal Road near Utopia, Tx. USGS station ID: 08197965
- **✓** West Sabinal River at Spring Branch Road near Utopia, Tx. USGS station ID: 08197968
